WITHDRAWAL POLICY FOR DEVELOPMENT PROGRAMS

- To withdraw your child from any Wind & Tide program, requests must be submitted in writing to the Administration office using the Withdrawal form which is available online in the Document Library on the Parent Portal.
- Registration Fees are non-refundable and non-transferable.
- Withdrawing your child from a program *before it begins and before the first instalment payment date*, will cancel all future tuition payments for that program.
- After the term's first instalment payment date, you will have until 6:00pm on the day of the third class of Term 1 to withdraw your child from the class. Any withdrawal requests received within this period will qualify for a refund of the first instalment, less a \$50 withdrawal fee. All future tuition payments will also be canceled.
- If you submit a request to withdraw your child after the third class for Term 1, you will be financially responsible for all scheduled Term 1 tuition payments (*example: If you choose to withdraw your child after the fourth class in Term 1, you will still be obligated to pay all remaining instalment payments posted under Term 1 as outlined on the previous page*). However, all future tuition payments for Term 2 will be canceled.
- To withdraw your child from a Development Program after the completion of the Term 1, but before beginning Term 2 in January, please FAX or EMAIL your completed Withdrawal form on/by December 31 of that same year to the Administration office. *Note: In the event that the Administration office is closed or after hours (ex: weekends), please email your request to withdraw your child from a program as it will be time-stamped according to the time and date it was received*. Withdrawal requests received on/before this day will qualify for a refund of the first instalment for Term 2, less a \$50 withdrawal fee. All future tuition payments will also be canceled.
- If you submit a request to withdraw your child from a Development Program after the first instalment payment date for Term 2, you will be financially responsible for all remaining Term 2 tuition payments (*as outlined on the previous page*), unless your child is considered as a late registrant as specified below*:

Withdrawal Exception for Mid-Year/Late Registrants starting a Development Program in Term 2

For *new students* registered mid-year to start a Development Program beginning in January for Term 2, you will have until 6:00pm on the day of the third class of Term 2 to withdraw your child from the class. Any withdrawal requests received within this period will qualify for a refund of the first instalment, less a \$50 withdrawal fee. All future tuition payments will also be canceled.

If you submit a request to withdraw your child after the third class for Term 2, you will be financially responsible for all scheduled Term 2 tuition payments (*example: all instalment payments posted under Term 2 as outlined on the previous page*).

- Upon registration, parents/guardians must submit a completed Payment Form as agreement that they are financially responsible to pay any tuition or applicable fees for all terms their child is registered in a program, including NSF payments which will be subject to a \$15 NSF Fee.
- Under Wind & Tide's payment policy agreement, parents/guardians also acknowledge that any overdue, declined, or NSF payments must be submitted within 10 business days and that Wind & Tide reserves the right to refuse or revoke a child's registration from any program, at any time, due to any unpaid/outstanding balance on a family's account that is not paid by the requested deadline.
- Wind & Tide reserves the right to cancel classes due to insufficient enrollment and/or unavailability of instructors and will make every effort to transfer a child's registration to another suitable class. In the event that another class is not available, Wind & Tide will refund all fees (including the Registration Fee).
